The background of the slide features a vibrant anime-style illustration. Two young girls are depicted floating or falling over a detailed, colorful cityscape. The girl in the foreground has short, spiky pink hair tied with a large red bow, wearing a pink and white dress with ruffles and red shoes. She is looking towards the viewer. Behind her, another girl with long black hair and a white dress is also floating. The city below is rendered in a stylized, colorful manner with various buildings and structures.

- Brainstorm story/game ideas
- Decide game structure (linear, multiple routes, etc.)
- Draft game outline
 - Broad plot elements: beginning, middle, end

(note: all developers can contribute ideas)

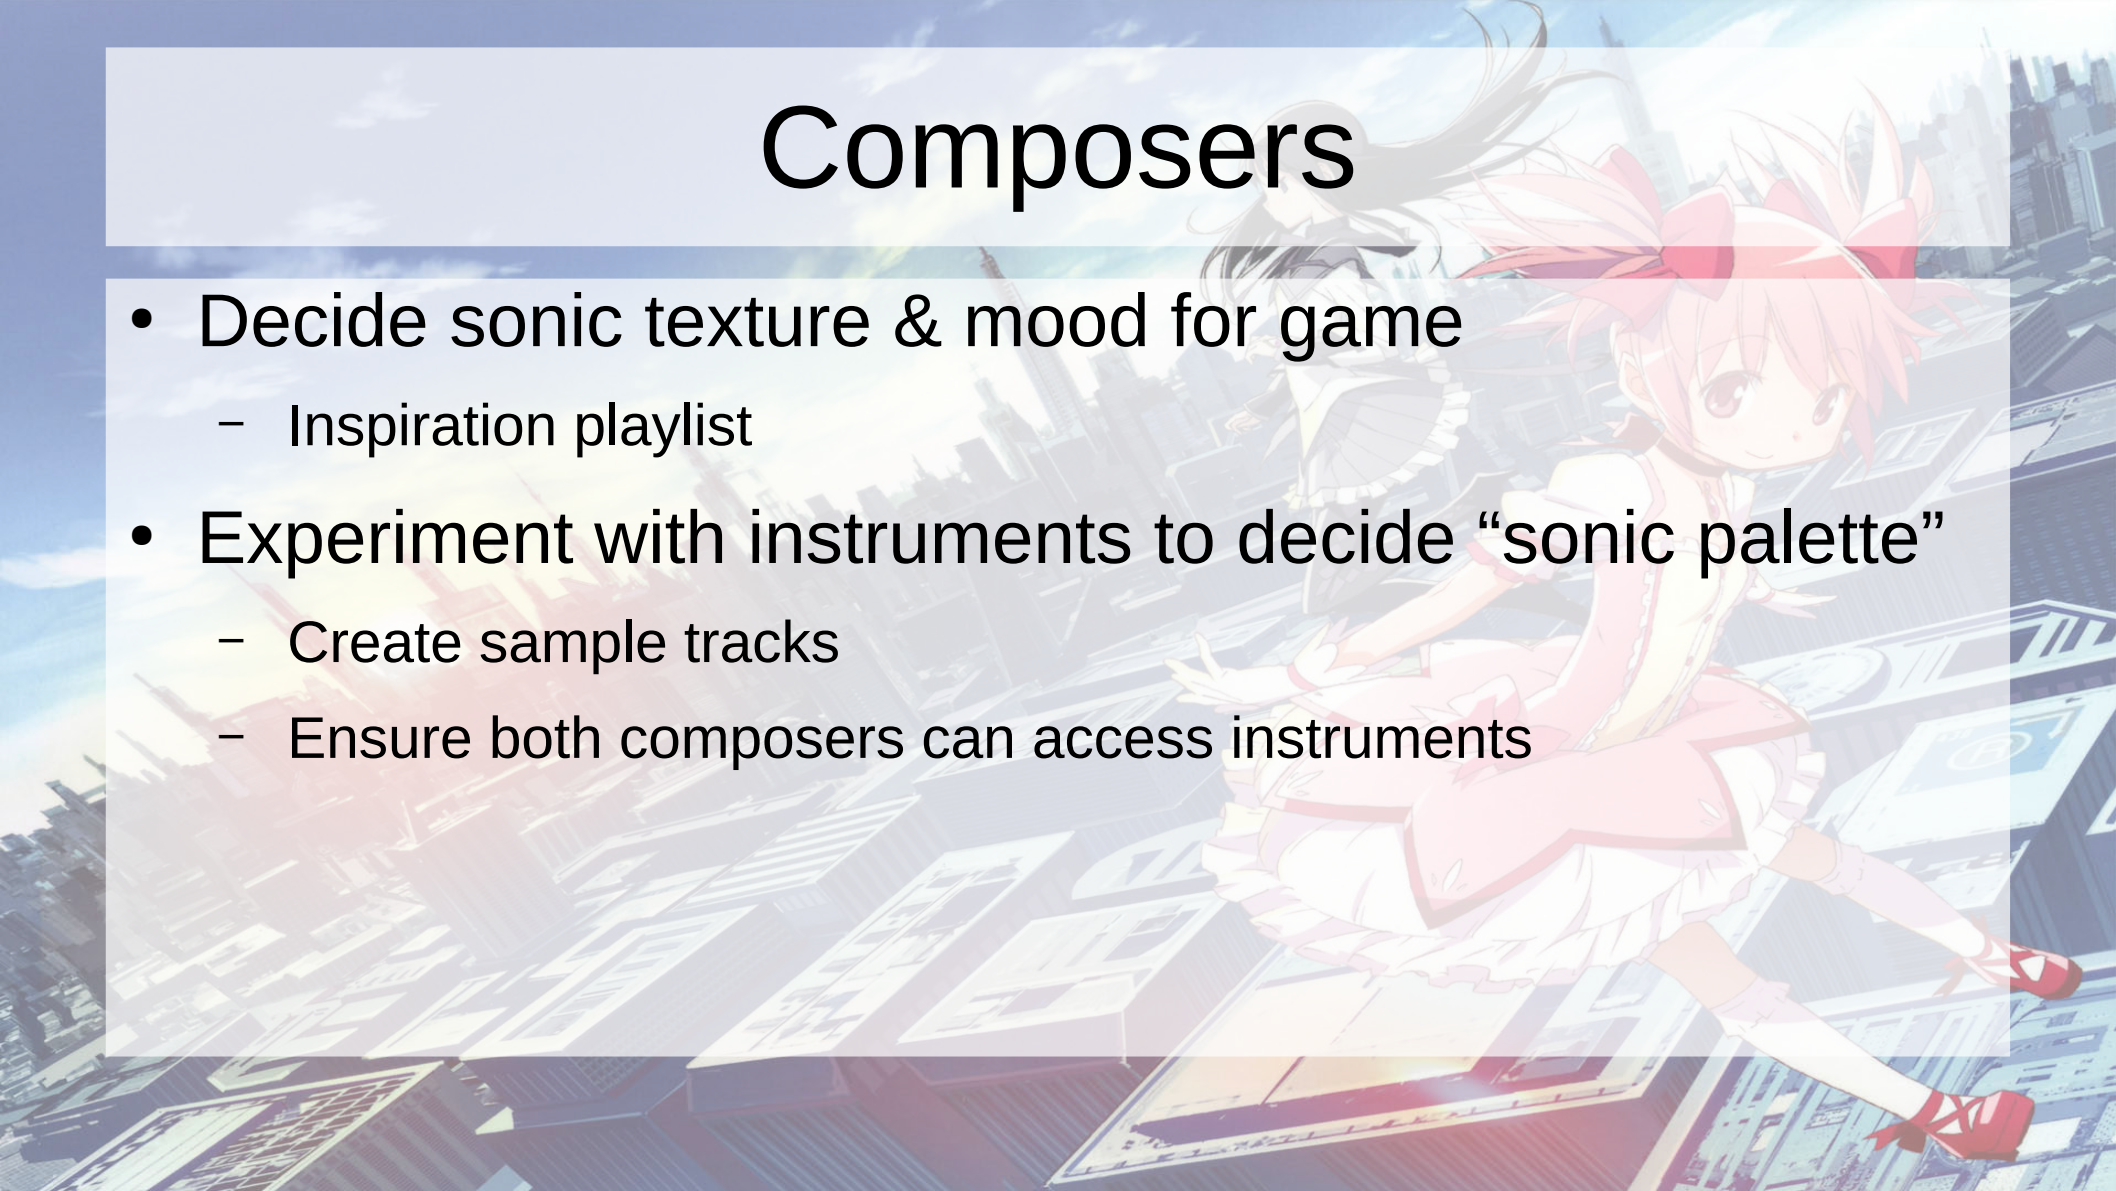

Artists

- Concept sketches based on theme

Cash prize????

- Five finalists win \$1000, five runners-up win \$200
- Winnings will be distributed equally to all credited developers

An anime-style illustration of two girls floating over a dense city skyline at sunset. The girl in the foreground is a pink-haired chibi character with large red bows in her hair, wearing a pink and white dress with ruffles and red shoes. She is looking towards the viewer with a slight smile. Behind her and to the left is a taller girl with long black hair, wearing a white and grey school-style uniform. The city below is a dense collection of skyscrapers, with the sun setting behind some of them, creating a warm orange and yellow glow. The sky is a mix of blue and orange. The overall style is vibrant and typical of anime art.
